

IT VENDOR EXIT STRATEGY

1. Vendor will provide a comprehensive knowledge transfer session for key personnel IT Personal.
2. Vendor will deliver all outstanding products, documentation, and deliverables.
3. Vendor will collaborate with the transition team for a seamless handover of ongoing projects.
4. Facilitate a thorough review and update of all relevant passwords, access rights, and system credentials.
5. Vendor will cooperate in the transfer of licenses, warranties, and ongoing support arrangements to the new vendor.
